

## Trampoline Policy

It is well known that exercise is vital to aid the physical development of young children and to encourage them to continue a healthy lifestyle into their adult years.

As an Ofsted Registered Childminder I encourage the children in my care to join in all sorts of different physical activities and provide a range of resources to make it fun and enjoyable. One of those resources is a small trampoline. In order to ensure the safety of the children whilst playing with the trampoline I have put together the following procedure:

- Minded children, of any age, are not permitted on the trampoline without written permission from their parents (please see Trampoline Permission Form)
- All children will be supervised at all times on the Trampoline by a responsible adult
- The trampoline will be checked regularly to ensure it is in a good condition
- All children using the trampoline must listen and follow any instructions from me, failure to do so may result in them no longer being permitted to use this piece of equipment
- The trampoline will only be used by the recommended number of children (one!).

If you have any concerns regarding your child using this piece of equipment please do discuss them with me.

I give permission for my child \_\_\_\_\_

to play on my childminder's trampoline. I have read, understood and agree to abide by the conditions set out in her/his policy.

I have been given a copy of the policy for future reference
